

CANCELLATION POLICY

Due to the large volume of patients seen in my practice, and the effort involved in preparing for appointments, it is my policy to require at least a 48 hour notice to reschedule an appointment. (Weekends and holidays are not considered call in days). As a courtesy, there will be no charge for consulting appointments that are canceled with more than 48-hours notice. If you fail to provide a 48-hour notice, or fail to keep your appointment as schedule, SportSense Co. will charge your credit card the hourly fee of \$140.00 plus a \$5.00 credit card processing fee, for a total of \$145.00.
